

Insulated Glass Warranty

Touch of Glass, Inc (ATOG) warrants that each product will be free from material obstruction of vision as a result of fogging or film formation on the internal glass surfaces caused by failure of the hermetic seal due to defects in material or workmanship for a period of five (5) years from the date of manufacture.

This warranty excludes hurricane-related damage or other causes that may contribute to premature failure of the hermetic seal. This warranty is expressly voided if any films or coatings are applied to the product subsequent to its fabrication.

All warranty claims should be submitted in writing to ATOG within five years of manufacture of the Product. ATOG, at its option, will (a) provide the claimant with a replacement or (b) refund the purchase price.

ATOG's sole liability, and Claimant's sole and exclusive remedy, for any Product warranty claim shall be limited to the replacement of the Product or the issuance of a refund. ATOG shall not be liable for consequential, indirect or direct, or incidental damages of any nature, including without limitation labor costs of any kind, arising from or in connection with a breach of any warranty or negligence on the part of ATOG.

There are no other warranties expressed or implied, including the implied warranties of merchantability and/or fitness for a particular application or purpose, which extend beyond the above stated warranty.

All warranty claims must be made to (ATOG) as soon as the defective condition is noticed. There are no warranties that extend beyond the conditions given by this warranty. This warranty only applies to the intermediate customer. Proof of original purchase will be required and supplied to (ATOG) before any resolutions or services are rendered.
